Buckley's Inspection Services, Inc. does not specifically endorse any of the above-referenced contractors. We are not affiliated with, nor responsible for, any work performed by the above contractors. This list is provided for your information only. You are free to choose your own contractor and are not obligated in any way to use any contractor on this list.

It is to your advantage to hire a reputable contractor to complete the necessary repairs. A contractor experienced with the types of repairs specific to your situation can usually properly complete the necessary repairs in a minimal amount of time and give you a greater possibility of obtaining a clear report with only one re-inspection visit.

Buckley's Inspection Services, Inc. encourages you to contact the Construction Contractor's Board (C.C.B.) at 503-378-4621 or visit their website at https://ccbed.ccb.state.or.us/ccb_frames/consumer_info/ for further information about a potential contractor. You will need the contractor's C.C.B. number when you call.
